Choice

Dear Town of Geneva Resident,

May 22nd 2021

The Town of Geneva is pleased to announce the renewal of Finger Lakes Community Choice, a Community Choice Aggregation (CCA) program¹ that allows us to pool local electricity demand to provide low cost, **fixed-rate renewable electricity supply**. The Town of Geneva has selected Joule Community Power² as Program Administrator. Joule works on behalf of the municipality to secure clean energy supply at the most favorable terms and ensures there are **no contract or exit fees** for consumers.

Supply Options

There are 3 fixed-rate electricity supply options under our program: **(1) 100% Renewable, (2) 50% Renewable and (3) Standard**. You may choose between these supply options or opt-out of the program. The Town of Geneva has chosen the 100% Renewable Option as the default. **You will automatically be enrolled in the 100% Renewable Option unless you choose the 50% Renewable or Standard Option or opt-out of the program.**

- **100% Renewable Option:** 100% of your electricity supply is matched by Renewable Energy Certificates (RECs) provided by New York State renewable power plants (hydropower, wind, solar).
- **50% Renewable Option:** 50% of your electricity supply is matched by Renewable Energy Certificates (RECs) provided by New York State renewable power plants (hydropower, wind, solar) and 50% of your electricity supply is matched by Renewable Energy Certificates (RECs) provided by national wind. This option is **not** considered a 100% renewable electricity option by New York State.
- **Standard Option:** Your electricity supply is a mixture of fossilfuels, nuclear, and some renewable energy. To switch to the Standard Option, please call (585) 244-0244 or visit www.fingerlakescommunitychoice.com and submit your information (name on utility account, service address and Pre Enrollment ID number from the opt-out card included in this letter) through the "Enrollment Change Form" under "Electricity Supply" in the navigation bar.

Join the Finger Lakes Community Choice team at an information session and Q&A to learn more about the Program and ask questions.

Finger Lakes Community Choice Rates

Finger Lakes Community Choice has secured rates for electricity through a competitive bidding process that will remain stable for 2 years and enables you to power your home or business with 100% renewable electricity.

- Constellation NewEnergy, Inc. will be your new supplier, beginning on your first meter-read after July 1, 2021.
- The new rate will remain fixed for a 24-month period through June 2023.

Rates (\$/kWh)*

Service Class	12-month NYSEG Price to Compare**	Default 100% Renewable Fixed Rate	50% Renewable Fixed Rate	Standard Fixed Rate
Residential	\$0.0491	\$0.0579	\$0.0547	\$0.0474
Small Commercial	\$0.0491	\$0.0579	\$0.0551	\$0.0478

* Rates do not include Gross Receipt Tax (GRT). If GRT is collected in your municipality, it will be added to your rate.

** Calculated average price paid per kWh consumed by residents of participating municipalities for NYSEG electricity supply service, April 2020 – March 2021.

NYSEG will continue to be responsible for the power lines that deliver your electricity and will continue to bill you. Please contact NYSEG in the event of any service interruption.

Enrollment

If you wish to opt-out of the program, please let us know by June 20th. If we do not hear from you, you will be enrolled automatically in the 100% Renewable Option, and your account information (including energy usage and utility assistance program participation status) will be shared with Constellation NewEnergy, Inc. However, you may leave the program at any time without any fee or penalty. If you choose to remain in the program, your new rate will take effect your first meter-read after July 1, 2021.

Sincerely,

Mark Venuti, Supervisor
