

Village of Brockport

Dear Village of Brockport Resident,

July 15, 2021

The Village of Brockport is pleased to announce the launch of Finger Lakes Community Choice, a Community Choice Aggregation (CCA) program¹ that allows us to pool local demand with other municipalities to provide **guaranteed savings through community solar partnerships**. Each participating municipality has selected Joule Community Power² as Program Administrator. Joule works on behalf of the municipalities to provide energy offerings at favorable terms and ensures there are **no contract or exit fees** for consumers.

You are eligible for the Community Choice Solar offering through the Finger Lakes Community Choice program. Community Choice Solar supports the development of new solar projects in our area, which will be operational in late 2021 and/or early 2022. You may choose to participate in the Community Choice Solar offering or opt-out.

Community Choice Solar Offering

Finger Lakes Community Choice has partnered with six solar projects to offer a first-of-its-kind community solar offering to Brockport residents. **You are eligible to receive guaranteed savings on your monthly National Grid bill by participating in Community Choice Solar.** Unless you choose to opt-out, you will be automatically enrolled in one of our selected community solar projects.

Each month that you remain enrolled, you will receive a credit (discount) on your National Grid electric bill. There are no contracts to sign, no additional bills to pay, and no credit screens. Participating in a community solar project simply earns you a monetary credit on your electricity bill; it does not replace your electricity supplier.

National Grid will continue to be responsible for the power lines that deliver your electricity and will continue to bill you. Please contact National Grid in the event of any service interruption.

To opt-out, you may:

Return the enclosed "Opt-Out Reply Card" by August 14, **OR**
Call the Finger Lakes Community Choice program hotline at (585) 244-0244, **OR**
Go to www.fingerlakescommunitychoice.com and submit your information (name on utility account, service address, and Pre Enrollment ID number from the opt-out card included in this letter) through the Enrollment/Change Form on the homepage.

Join the Finger Lakes Community Choice team at an information session and Q&A to learn more about the Program. We want to hear your questions!

Enrollment and your right to opt-out of this program

If you wish to opt-out of the program, please let Finger Lakes Community Choice know by August 14th. If they do not hear from you, you will be enrolled automatically in Community Choice Solar, and your account information (including energy usage and utility assistance program participant status) will be shared with your community solar provider. However, you may leave the program at any time without any fee or penalty.

If you choose to remain in the program, you will begin receiving a 10% discount on community solar credits when your assigned project is operational in late 2021 or early 2022. You will receive an additional letter in the mail alerting you to the date you should expect to see credits on your National Grid bill and which solar project will provide those credits.

Sincerely,

Margaret B. Blackman
Mayor of Brockport
